

COMPLAINT FORM

From time to time issues arise between property owners/home owners relating to alleged violations of adopted Codes, Covenants and Restrictions (CC&Rs). The Board's expectation is that such allegations shall be resolved between the involved owners at an informal level. Only after such attempts fail to resolve the matter shall it be brought to the Board's attention. The Board, at their own discretion, may or may not take action on any allegation(s) in part or whole. This form needs to be completed in its entirety and submitted to any Board member prior to any consideration or review by the Board.

If the Board chooses to take action:

1. The alleged violator will receive a copy of the written complaint.
2. The alleged violator will be invited to a meeting for the Board to discuss the matter prior to any decision that will be made.
